

Trellises

Add elegance to your yard or garden. Give your landscape design new dimension. Decorate a blank wall or an entrance to your front door, or simply provide support for climbing flowers, vines or vegetables. Whatever your needs, our unique trellises are the answer for elegance, design and durability.

Features:

- Maintenance free material that looks like wood
- No rot or splinters
- Insect resistant
- Never needs painting
- Fade resistant—highly UV stable
- Sturdy construction—lasts longer than wood
- Designs/Sizes: Fan—2', 4' & 6', Ladder—4' & 6'
- Colors: white, forest green, redwood
