INDUSTRIAL EXTRUSIONS

PLASTICS

# Loxcreen

# Extrusion

**Partnering with customers is key to Loxcreen's success.** Our mission is to provide quality plastic extrusions both efficiently and reliably. Experience, a strong commitment to customer service, a comprehensive quality assurance program and advanced technology are what make us an excellent low cost and on time supplier. We can offer both proprietary and stock profiles to diverse industries including refrigeration, building, window, door, fence, transportation, recreation and other commercial markets.

Single, co and tri extrusion • Rigid and flexible PVC • PVC alloys • High and low density polyethylene • Polypropylene • Polys

## ► *Specialties*

Our expertise can turn even the most exacting challenge into successful results. We have gained a reputation for extruding complex, close tolerance profiles. Experience, research and development combined with the latest extrusion technology give us a competitive edge.

- World-class customer service
- Custom profiles (maximum width 12")
- Tubes (maximum O.D. 6")
- Custom color matching
- Vacuum calibration
- In-line laser gauging
- Optical comparator
- In-house tooling (4-axis EDM)

## ► *Custom Fabrications*

We specialize in custom and in-line fabrication, eliminating costly secondary processes.

- Cut-to-length (standard in-line tolerances ranges from 1/32" to 1/2" depending on profile size and complexity)
- Mitering
- Drilling
- Punching
- Notching
- Adhesive tape & film application
- Welding (flexible PVC)
- Bending

## Custom Profile Extrusions

# Solutions

styrene • Santoprene • Aycrn • Thermoplastic rubber • TPE's • TPV's • Thermoplastic polyurethane • Acrylics • ABS

### ► *Customer Service*

Our sales, engineering and productions teams are involved in every aspect of the process from application to material consideration and processability ensuring quality products and service at competitive prices.

- CAD
- 24 hour quote turn around
- Technical support
- Pre-production samples
- Custom packaging

### ► *Quality Assurance*

Profiles from simple to complex are all manufactured to meet the same rigorous standards. Our highly trained production staff is committed to meeting customer expectations.

- ISO9001 Quality Management System (Georgia facility)
- Random sampling
- Comprehensive corrective and preventative action programs
- Six month surveillances to keep quality program closely monitored and updated

## Manufacturing:

### Georgia

The Loxcreen Company, Inc.  
P.O. Box 386  
Brooklet, GA 30415  
p: 912-842-2439  
f: 912-842-2081

### Oregon

The Loxcreen Company, Inc.  
2701 N. Front St.  
Woodburn, OR 97071  
p: 503-981-3726  
f: 503-981-1934

## Distribution:

### Florida

The Loxcreen Company, Inc.  
1600 E. Lake Mary Blvd.  
Sanford, FL 32773  
p: 407-322-1031  
f: 407-323-5918

### Georgia

The Loxcreen Company, Inc.  
6360 Button Gwinnett Dr.  
Atlanta, GA 30340  
p: 770-448-7878  
f: 770-729-9478

### Missouri

The Loxcreen Company, Inc.  
1503 Harry S. Truman Blvd  
Caruthersville, MO 63830  
p: 573-333-0098  
f: 573-333-0574

### North Carolina

The Loxcreen Company, Inc.  
P.O. Box 29  
2300 Old Durham Rd.  
Roxboro, NC 27573  
p: 336-599-3111  
f: 336-597-8821

### Ohio

The Loxcreen Company, Inc.  
100 Westheimer Dr.  
Middletown, OH 45044  
p: 513-539-2255  
f: 513-539-2288

### South Carolina

Metal Distributors  
1630 Old Dunbar Rd.  
West Columbia, SC 29172  
p: 803-822-1600  
f: 803-822-8070

### Texas

The Loxcreen Company, Inc.  
P.O. Box 5126  
400 N. Great SW Parkway  
Arlington, TX 76005
